A bridge between Italy and Africa

Italy Africa Business Week was born to promote economic, cultural and social partnerships between Italy and Africa.

Through meetings, networking and concrete projects, IABW fosters the emergence of equal and lasting collaborations.

Our mission is turning ideas into opportunities and building a future common based on innovation, sustainability and inclusion.

SUSTAINABILITY

An edition looking forward: where cooperation becomes innovation.

The ninth edition of the forum, in cooperation with the Ministry of Foreign Affairs and of International Cooperation and the International Organization of Migration, will be dedicated to partnerships for sustainable development, in line with the objectives of the UN 2030 Agenda and the African Union 2063 Agenda.

IABW 2026 represents a privileged space for business, institutions and civil society, where to share experiences, strategies and innovation to address the great global challenges.

Green economy and ecological transition

Agro-industry and food safety

Infrastructure and sustainable mobility
